Lawrence County EMS employs 30 full time personnel including:

- 4 full time Critical Care Paramedics
- 10 full time paramedics
- 9 full time EMTs
- 25 part time EMTs and Paramedics
- 3 shift supervisors
- 3 Field Training Officers
- 2 Administrative Personnel
- 1 Director of EMS

LCEMS staffs 4 ALS ambulances 24/7. Two units in Lawrenceburg, 1 unit in Loretto, TN (www.cityoflorettotn.com/) covering the south portion of the county, one unit in Ethridge, TN, supporting the north portion of the county.

We are dispatched by the Lawrence County E-911 dispatch center.

LCEMS uses the digital run reporting using the ART system with an extensive in house Quality Improvement process. All EMS Staff are offered continued education on a consistent monthly basis.

LCEMS uses Type III ambulances for the primary response vehicles and is the exclusive primary service for all 911 EMS requests in Lawrence County.

Crockett Hospital is the local Hospital for a majority of the patient transports. Crockett Hospital (<http://southerntennessee.com>) offers many services not offered by most rural health care facilities.

We have an automatic response on all medical calls in the city limits of Lawrenceburg by the Lawrenceburg Fire Department who responds both Basic Life Support and Advanced Life Support units, and all Personal Injury Accidents are supported by area volunteer departments throughout the county.

LCEMS is supported by two air-ambulance companies: Air-Evac (www.lifeteam.net/) and Vanderbilt Lifeflight (www.vanderbilthealth.com/lifeflight/).
